各位销售团队伙伴：

通告：业务佣金调整及付款机制优化

生效日期：2026年6月1日 / 2026年7月1日（按项目类别执行）

一、通告目的

为配合公司业务持续发展及内部管理体系优化，恒浩能源有限公司现正式发布本阶段销售激励及佣金（Commission）付款机制调整方案。

本次调整旨在优化收入结构、提升资金效率，并进一步释放销售激励空间，让每一单的价值更清晰、更直接地反馈到团队收益中，支持公司业务规模持续增长与运营效率提升。

我们相信：制度的优化，本质是为了让努力被更公平地放大与兑现。

二、主要优化内容

本次调整包含以下三项核心内容：

（一）佣金结构调整（生效日期：2026年6月1日）

1. Residential / Shoplot 项目

Internal Sales

- 原佣金：3%
- 调整后：4%

Outsource Sales

- 原佣金：4.5%
- 调整后：5.5%

2. Industrial / Factory / Commercial 项目

Internal Sales

- 原佣金: 2% + 1% Profit Sharing
- 调整后: 2.5% + 1.5% Profit Sharing

Outsource Sales

- 原佣金: 2.5% + 2% Profit Sharing
- 调整后: 3% + 2.5% Profit Sharing

本次调整将直接提升销售人员整体成交回报水平。

（二）Residential / Shoplot 收款结构优化

生效日期: 2026 年 7 月 1 日

为提升项目收款效率及佣金结算节奏, 付款结构优化如下:

- First Payment: 5%
- Second Payment: 75%
- Third Payment: 20%

当公司确认收到客户 **75% Second Payment** 后, 将按公司标准月度流程发放对应订单剩余佣金。

备注:

- 本机制仅适用于 Residential / Shoplot 项目
- Industrial / Factory / Commercial 项目维持: 100% 全款到账后发放佣金

（三）佣金预支机制优化（RM300 预先发放）

生效日期: 2026 年 7 月 1 日

为优化销售人员现金流结构, 公司新增佣金预支机制:

当销售人员成功收取客户 **5%定金 (Deposit)** 后, 公司将提供:

👉 **RM300 佣金预先发放 (预支佣金)**

示例说明：

订单金额：RM20,000

佣金比例：4%

总佣金：RM800

客户支付 5%定金后：

- 预先发放：RM300
- 剩余佣金按公司月度流程发放

三、佣金管理政策（Commission Policy）

为确保佣金制度公平性与可持续执行，公司将按以下原则管理：

1. 佣金仅适用于已确认成交且实际收到款项之订单
2. 佣金以实际到账金额及最终成交金额为计算基础
3. 公司保留审核订单真实性及付款状态之权利
4. 如涉及折扣、退款或价格调整，佣金将按最终成交金额重新核算
5. 所有佣金统一按公司月度出佣流程执行

四、佣金追回机制（Claw Back Policy）

自 2026 年 7 月 1 日起，已发放佣金适用以下追回机制：

1. 订单取消或终止

公司有权追回已发放佣金（包括 RM300 预支款）。

2. 客户付款违约

如客户未按约定付款导致项目暂停或取消，公司有权暂停或追回相关佣金。

3. 退款及价格调整

如发生退款、折扣或价格调整，佣金将按最终成交金额重新计算，多发部分予以追回。

4. 离职或终止合作

- 未发放佣金不予结算
- 已发放预支佣金如不符合最终条件，公司保留追回权利

5. 违规或不当行为

如涉及虚假交易、违规操作或损害公司利益行为，公司有权取消全部佣金并追回已发放款项。

6. 追回方式

追回金额将优先从未来应发佣金中抵扣；如不足，公司保留进一步追缴权利。

五、附则

本通告自生效日起正式执行，适用于公司所有销售人员。

公司将持续优化业务制度与激励机制，以提升整体运营效率与业务可持续发展能力。

六、公司理念

恒浩能源有限公司始终坚持：

公司增长来自体系优化与团队执行，
而体系的意义，是让每一位努力者的价值被更公平地放大与兑现。

Dear Sales Team,

Commission Adjustment and Commission Payment Mechanism Optimization

Target Audience: All Sales Team Members

Effective Date: 1 June 2026 / 1 July 2026 (based on project category)

1. Purpose of This Notice

To support the continued growth of the company and the improvement of internal management systems, Henghao Energy Sdn. Bhd. hereby officially announces the updated sales incentive and commission payment structure.

This adjustment aims to optimize income structure, improve cash flow efficiency, and further enhance the sales incentive framework—ensuring that every deal delivers clearer and more direct value to the sales team while supporting sustainable business growth and operational efficiency.

We believe that **system improvements exist to ensure effort is more fairly recognized and rewarded.**

2. Key Improvements

This update consists of three core components:

(1) Commission Structure Adjustment

Effective Date: 1 June 2026

1. Residential / Shoplot Projects

Internal Sales

- Previous: 3%
- Revised: 4%

Outsource Sales

- Previous: 4.5%
-

- Revised: 5.5%

2. Industrial / Factory / Commercial Projects

Internal Sales

- Previous: 2% + 1% Profit Sharing
- Revised: 2.5% + 1.5% Profit Sharing

Outsource Sales

- Previous: 2.5% + 2% Profit Sharing
- Revised: 3% + 2.5% Profit Sharing

This adjustment will directly improve the overall earnings potential of the sales team.

(2) Residential / Shoplot Payment Structure Optimization

Effective Date: 1 July 2026

To improve project collection efficiency and commission payout timing, the payment structure for Residential / Shoplot projects will be revised as follows:

- First Payment: 5%
- Second Payment: 75%
- Third Payment: 20%

Once the company confirms receipt of the **75% Second Payment**, the remaining commission will be processed according to the company's standard monthly payout cycle.

Notes:

- This mechanism applies only to Residential / Shoplot projects
 - Industrial / Factory / Commercial projects remain unchanged: commission is paid upon 100% full payment collection
-

(3) Commission Advance Mechanism (RM300 Pre-payment)

Effective Date: 1 July 2026

To improve sales cash flow support, the company introduces a commission advance mechanism:

Once a sales personnel successfully collects a **5% customer deposit**, the company will provide:

 **RM300 commission pre-payment (advance payout)**

Example:

Contract Value: RM20,000

Commission Rate: 4%

Total Commission: RM800

After the customer pays the 5% deposit:

- **RM300 commission pre-payment is issued immediately (advance payout)**
- Remaining commission will follow the standard monthly payout process

3. Commission Policy

To ensure fairness and sustainability, the company will enforce the following principles:

1. Commission is only applicable to confirmed deals with actual payments received
2. Commission is calculated based on actual received amount and final transaction value
3. The company reserves the right to verify transaction authenticity and payment status
4. Any discounts, refunds, or price adjustments will result in commission recalculation based on final transaction value
5. All commissions are processed under the company's monthly payout cycle

4. Clawback Policy

Effective 1 July 2026, all paid commissions are subject to the following clawback rules:

1. Order Cancellation or Termination

The company reserves the right to recover any paid commissions, including the RM300 pre-payment.

2. Customer Payment Default

If the customer fails to make payments as agreed, resulting in project suspension or cancellation, commissions may be suspended or recovered.

3. Refunds or Price Adjustments

If refunds, discounts, or pricing changes occur, commissions will be recalculated based on the final transaction value, and any excess will be recovered.

4. Resignation or Termination

- Unpaid commissions will not be processed

- Paid pre-payment commissions may be recovered if final conditions are not met

5. Violations or Misconduct

In cases of fraudulent transactions, violations, or actions that harm the company's interests, the company reserves the right to cancel all commissions and recover any paid amounts.

6. Recovery Method

Recovered amounts will first be offset against future commission payouts. If insufficient, the company reserves the right to pursue further recovery actions.

5. General Provisions

This notice takes effect from the stated effective dates and applies to all sales personnel.

The company will continue to refine its business structure and incentive mechanisms to enhance operational efficiency and long-term sustainable growth.

6. Company Philosophy

Eternalgy Sdn. Bhd. firmly believes:

**Company growth comes from system optimization and team execution.
The purpose of the system is to ensure every effort is fairly amplified and rewarded.**
